

## Constant Contact Survey Results

**Survey Name:** CB South Recycling and Trash Survey - Part II

**Response Status:** Completed

**Filter:** None

Aug 26, 2009 4:44:20 PM

---

**TextBlock:**

This survey is a follow-up to the recent CB South recycling and trash survey. Over 205 of you responded to that survey, which was a fantastic 43% response rate - thank you, THANK YOU!! In that survey, 51% of you indicated you were interested in "joining forces" to find a way to improve trash and recycling service options in CB South, while saving you money. Another 39% of you indicated you might be interested "joining forces", but it would depend on the details. With this survey, we'd like to present those details for possible money saving options regarding trash and recycling service in CB South - and hopefully provide your Board of Directors with your valuable feedback needed in reaching a decision regarding trash and recycling options for service in CB South. Thanks in advance (again) for your valuable time.

We received and reviewed bids from 4 different trash and recycling providers. These proposals assumed each provider would be guaranteed a certain number of contracts for trash and recycling in CB South and those contracts would then be billed through your P.O.A. Office. Waste Management is offering weekly trash pick up (limited to 3 cans or 1 totter) and twice per month recycling pickup for \$23.50, plus a fuel and environmental surcharge guaranteed not to exceed 10%, or \$25.85 per month. All recycling currently accepted in Gunnison would be picked up at your curbside. However, they can not guarantee that all trash and recycling materials will be delivered to the Gunnison County Landfill. Gunnison Valley Disposal offers weekly trash pick up (unlimited cans, totters, or bags) and twice per month recycling pickup for \$18.00 per month. Additionally, all recycling currently accepted in Gunnison would be picked up at your curbside. And they guarantee that all trash and recycling materials will be delivered to the Gunnison County Landfill. Gothic Mountain Waste Solutions offers weekly trash pick up (unlimited cans, totters, or bags) and twice per month recycling pickup for \$18.00 per month. Additionally, all recycling currently accepted in Gunnison would be picked up at your curbside. And they guarantee that all trash and recycling materials will be delivered to the Gunnison County Landfill. Golden Eagle Trash Service offers weekly trash pick up on a pay-to-throw basis (or per can charge) and twice per month recycling pickup for approximately \$19.00 per month. Additionally, all recycling currently accepted in Gunnison would be picked up at your curbside. And they guarantee that all trash and recycling materials will be delivered to the Gunnison County Landfill. However, we are still unclear if they can do the recycling component, and if so, at what costs - but they are interested in competing for your business. So, please remember that the above quoted dollar amounts may vary by plus or minus \$1.50 when picking your preferred option below.

Answer	0%	100%	Number of Response(s)	Response Ratio
I vote to pursue a P.O.A. contract with Waste Management			2	1.6 %
I vote to pursue a P.O.A. contract with Gunnison Valley Disposal			50	40.6 %
I vote to pursue a P.O.A. contract with Gothic Mountain Waste Solutions			41	33.3 %
I vote to pursue a P.O.A. contract with Golden Eagle Trash Service			3	2.4 %
I would rather not enter into any P.O.A. contract, thank you!			20	16.2 %
No Response(s)			7	5.6 %
<b>Totals</b>			<b>123</b>	<b>100%</b>
